CORPORATE PROFILE

OUR STORY

Built from service experience into corporate mobility.

Founded in 2008, Continental Rental & Tours, Inc. began as a niche transport service provider for international buyers in the Philippine handicrafts industry. Over the years, CRTI has evolved into a premier mobility partner serving corporate clients with executive-class, chauffeur-driven transport solutions.

Today, CRTI is defined by its ability to listen, respond in real time, execute with precision, and deliver service that consistently exceeds expectations. With a curated fleet, professionally trained chauffeurs, and 24/7 operational support, every trip is designed to provide corporate partners with peace of mind.

Our promise remains simple: providing more than what you need. Because in business, peace of mind is not a luxury. It is a requirement.
